## CURRENT EVENTS

### YOUTH SUNDAY NIGHTS

Jr. & Sr. High now meet on Sunday evenings instead of Wednesdays. Plan to be there between 5:30-6:00 pm. From 6:00-7:30 is time to grow closer to God. Parent pick-up time is 7:30-8:00. This is a time to hang out with your friends and enjoy some special activities and a worship experience designed especially for you. Invite a friend to come along and check out what's happening at FCC.

Questions? Contact Eric.

### MOVIE NIGHT

At some point, everyone has to decide what you want your life to be about. How far would you go to save a life?

Jr. & Sr. High students are invited to attend a special showing of the movie *To Save A Life*. This is a powerful movie about the real-life challenges of teens and their choices. The movie will be shown at Reeds Spring Middle School on Wednesday, September 8. We will leave from FCC at 6:00 pm and return at 9:00 pm. Get more info about the movie at [www.tosavealife.com](http://www.tosavealife.com).

### THE STAND

Just how do you take a stand for Christ in your daily life?

Mark your calendars for Sunday, September 12 and plan to join us at this special event which will strengthen and encourage you in making a stand for Christ in your daily life.

The Stand is a life-changing event for Jr. High through College aged students. You will be encouraged and empowered to take a stand for Jesus Christ. There will be a moving worship time accompanied with the dynamic speaker Mark Moore who will challenge you to be bold in your walk with Christ.
